

# **IDC HAS GONE MOBILE!**

Just in time for IDC's 15th Anniversary Tour...all of the information found on IDC's website can be easily accessed on your mobile phone and quickly at your finger tips!

Log on to the IDC website via your mobile phone and then add the app or bookmark to your phone's homescreen for quick access to the most up-to-date IDC NEWS!

## **iPhone Users**

The first time you log onto the mobile site via your iPhone, you can download the IDC app to your homescreen! When the IDC app pops up at the bottom of the screen, just Accept and it will automatically download to your homescreen for quick access to IDC Schedules, Results and even Click to Call!

## **Droid / Blackberry Users**

To have all the mobile features of the IDC website quickly at your fingertips, bookmark the mobile website on your phone to add to your home screen! A bookmark will give you quick access to all the latest IDC news including Results, Schedules, and the ability to quickly email or call IDC!
